SPECIAL VOTING INSTRUCTIONS FOR CDI HOLDERS

The CDI voting deadline is two business days prior to the date that Proxies are due so that CDN may vote the Shares underlying the applicable CDIs. A CDI holder may revoke a CDI Voting Instruction Form by giving written notice to CHESS Depository Nominees Pty Limited (CDN), or by submitting a new CDI Voting Instruction Form bearing a later date, well in advance of the Meeting.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.

Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. A registered shareholder may submit a proxy using one of the following methods:

- (a) complete, date and sign the Proxy and return it to the Company’s transfer agent, Computershare Trust Company of Canada (“Computershare”), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9; or
- (b) use a touch-tone phone to transmit voting choices to the toll free number given in the proxy. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder’s account number and the proxy access number; or

- (c) log on to Computershare's website at, www.investorvote.com. Registered shareholders must follow the instructions provided and refer to the enclosed proxy form for the holder's account number and the proxy access number.

Whatever method a registered shareholder uses to submit their proxy, they must ensure that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof, i.e. March 1, 2023.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

All holders of CDIs are Non-Registered Holders. See the section entitled "Notice to Holders of CDIs" below.

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: Objecting Beneficial Owners ("OBOs") object to their name being made known to the issuers of securities which they own; and Non-Objecting Beneficial Owners ("NOBOs") who do not object to the issuers of the securities they own knowing who they are.

The Company is taking advantage of the provisions of National Instrument 54-101 - Communication with Beneficial Owners of Securities of a Reporting Issuer ("NI 54-101") that permit the Company to deliver proxy-related materials directly to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("VIF") from our transfer agent, Computershare Investor Services, Inc. ("Computershare"). The VIF is to be completed and returned to Computershare as set out in the instructions provided on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a beneficial owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The proxy form supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”) in Canada and in the United States. Broadridge mails a VIF in lieu of the proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), who is different from any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative, which may be you, in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder’s representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

Holders of CDIs

- **CDI Holders may give instructions to Chess Depository Nominees Pty Limited**

A CDI is a CHESSE Depository Interest representing an uncertificated unit of beneficial ownership in the common shares of the Company registered in the name of CHESSE Depository Nominees Pty Limited (“CDN”), a wholly owned subsidiary company of ASX Limited that was created to fulfil the functions of a depository nominee.

CDN is authorized by its Australian Financial Services Licence to operate custodial and depository services, other than investor directed portfolio services, to wholesale and retail clients. One CDI represents one underlying Common Share of the Company.

“CHESSE” refers to the Clearing House Electronic Subregister System, which is the electronic system pursuant to which CDIs of the Company trade on the Australian Securities Exchange (the “ASX”).

CDI Holders are non-registered or beneficial owners of the underlying common shares, which underlying shares are registered in the name of CDN. As holders of CDIs are not the legal owners of the underlying common shares, CDN is entitled to vote at meetings of shareholders on the instruction of the registered holder of the CDIs.

As a result, CDI Holders can expect to receive a voting instruction form, together with the Meeting Materials from Computershare Investor Services Pty Ltd (“Computershare Australia”), the CDI Registry in Australia. These voting instruction forms are to be completed by holders of CDIs who wish to vote at the Meeting and returned in accordance with the instructions contained therein. **Completed voting instruction forms must be returned no later than 11:00 a.m. (AEDT) on March 2, 2023 or forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the cut-off time for the receipt of proxies before any adjourned or postponed Meeting.**

CDN is required to follow the voting instructions properly received from registered holders of CDIs. If you hold your interest in CDIs through a broker, dealer or other intermediary, you will need to follow the instructions of your intermediary.

CDI Holders that wish to change their vote must in sufficient time in advance of the Meeting contact Computershare Australia to arrange to change their vote. If you hold your interest in CDIs through a

broker, dealer or other intermediary, you must in sufficient time in advance of the Meeting, arrange for your intermediary to change its vote through Computershare Australia in accordance with the revocation procedure set out above.

EXPLANATORY STATEMENT

ORDINARY BUSINESS

Background to Resolutions 1 and 2

On 12 December 2022 the Company announced that it had received binding commitments for a placement to raise AUD\$2.4million before costs, consisting of the Issue (defined below) and the Tranche 2 Issue (defined below) (the **Placement**). Bridge Street Capital Partners and Morgans Corporate acted as joint lead managers and bookrunners for the Placement.

Resolution 1: Ratification of Prior Issue of Tranche 1 Placement Shares

Background

On 16 December 2022 (**Issue Date**), the Company issued 28,503,570 fully paid ordinary Shares (**Placement Shares**), at an issue price of \$0.055 (5.5 cents) per Share, to sophisticated and professional investors (**the Issue**). The major participant in the Issue was The Bloomfield Group, a group of Australian privately owned companies, through its investment arm and head company of its consolidated tax group, Big Ben Holdings Pty Ltd, who became a substantial shareholder holding 6% of the voting shares of the Company (refer to substantial shareholder notice released 20 December 2022).

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions:

- Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval over any 12-month period to 15% of the fully paid ordinary Shares it had on issue at the start of that period (**Placement Capacity**)
- Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Extra Placement Capacity**). This Extra Placement Capacity pertains to quotable Equity Securities only.

The issue of the Placement Securities does not fit within any of the expectations set out in Listing Rule 7.2, and it was not approved by Shareholders. Accordingly, the issue of the Placement Shares was made under the Placement Capacity and the Extra Placement Capacity of the Company, effectively reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12-month period following the date of issue of the Placement Shares.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made provided that the issue of Equity Securities complied with ASX Listing Rule 7.1. If they do, the Issue is taken to have been approved under Listing Rule 7.1 and 7.1A and so does not reduce the company's capacity to issue further Equity Securities without Shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. The Company confirms that the issue of securities the subject of Resolution 1 did not breach ASX Listing Rule 7.1

To this end, this Resolution seeks Shareholder approval to the Issue under and for the purposes of Listing Rule 7.4.

If this Resolution is passed:

- (a) the Issue will no longer use the placement capacity of the Company under the Listing Rules (i.e. will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A);
- (b) the Company will be able to issue Equity Securities using the refreshed placement capacity under Listing Rules 7.1 and 7.1A without Shareholder approval; and
- (c) the Shares issued under the Issue will increase the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not passed, the Issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the Issue Date.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) the Placement Shares were issued and allotted to sophisticated and professional investors of whom some were existing Shareholders of the Company, or clients of Bridge Street Capital Partners or Morgans Corporate Limited;
- (b) The number and class of Equity Securities issued were 28,503,570 fully paid ordinary Shares in the Company (16,420,352 Shares were issued under ASX Listing Rule 7.1 and 12,283,218 Shares were issued under ASX Listing Rule 7.1A);
- (c) the Placement Shares were issued on 16 December 2022;
- (d) the Placement Shares were issued at \$0.055 (5.5 cents) each which represented a 15.2% discount to the 15-day VWAP ; and
- (e) the purpose of the Issue was to provide funds to be used for drilling activities focused on shallow porphyry targets across the Company's portfolio of priority projects in the Lachlan Fold Belt, NSW.

Resolution 2: Approval of Issue of Tranche 2 Placement Shares

Background

As announced on 12 December 2022, the Company agreed, subject to Shareholder approval, to issue 15,132,795 fully paid ordinary Shares (**Tranche 2 Placement Shares**) at an issue price of \$0.055 (5.5 cents) per Share, to directors and sophisticated investors (**the Tranche 2 Issue**). The settlement of the Tranche 2 Placement Shares is expected to occur on or about 9 March 2023, with the Company intending to seek quotation of the Tranche 2 Placement Share or about 10 March 2023.

ASX Listing Rules

ASX Listing Rule 7.1 provides that (subject to certain exceptions (none of which are relevant here) prior approval of Shareholders is required for an issue of Equity Securities if the Equity Securities will, when aggregated with the Equity Securities issued by the Company during the previous 12 months, exceed 15% of the number of Shares on issue at the commencement of that 12-month period.

Resolution 2 seeks the required Shareholder approval to the Tranche 2 Issue under and for the purpose of Listing Rule 7.1.

If Resolution 2 is passed:

- (a) the Company will be able to proceed with the Tranche 2 Issue and will issue the Tranche 2 Placement Shares to institutional and sophisticated investors;
- (b) the Tranche 2 Issue will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1 and the Company will be able to issue Equity Securities using the refreshed placement capacity without Shareholder approval; and
- (c) the Shares issued under the Tranche 2 Issue will increase the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of issue of the Tranche 2 Placement Shares.

If Resolution 2 is not passed, the Company will not be able to issue the Tranche 2 Placement Shares.

Director and Substantial Shareholders Participation

Directors of the Company intend to participate in Tranche 2 of the Placement as set out in the below table.

Jonathan (Sam) Spring	Nil	811,000	811,000
Big Ben Holdings Pty Limited	5,685,388	12,496,431	18,181,819

The Company has a waiver from ASX of ASX Listing Rule 10.11 to allow it to issue securities to Directors without shareholder approval provided that it complies with the TSX-V Rules. Accordingly, a separate approval under ASX Listing Rule 10.11 for the Director participation in the Tranche 2 Issue will not be sought.

Information required by Listing Rule 7.3

ASX Listing Rule 7.3 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing rule 7.1:
